WHO WE ARE ?

We are a dynamic and professional consulting company specializing in the preparation and organization of marketing scientific conferences, exhibitions, workshops, and seminars in Jordan. Our expertise lies in providing high-quality event management services, along with comprehensive professional management consulting.

With our extensive global experience, we offer a wide range of services to ensure cost-effective, highly organized, and successful events that deliver results. We are dedicated to being readily available to address any inquiries you may have and provide all the necessary support.

Our outstanding reputation for delivering specialized services is the outcome of our management philosophy, which emphasizes the importance of delivering quality work and establishing long-term client relationships.

From the initial stages of the planning process to the final execution, we will be there to assist you every step of the way. Benefit from our extensive experience and in-depth knowledge of the Jordanian market.

OUR TEAM

Events Consultant Management is backed by a creative, efficient, and enthusiastic team of professionals. We truly grasp the significance of client satisfaction, delivering comprehensive and seamless services with utmost excellence, resulting in a remarkable 100% success rate for numerous national and multinational companies. Our expertise encompasses all aspects of event management, including event planning, hotel reservations, travel arrangements, participant registration, on-site management, logistics coordination, pre/post meeting tours, social planning, and the provision of sound and interpretation equipment tailored to the specific requirements of each event.

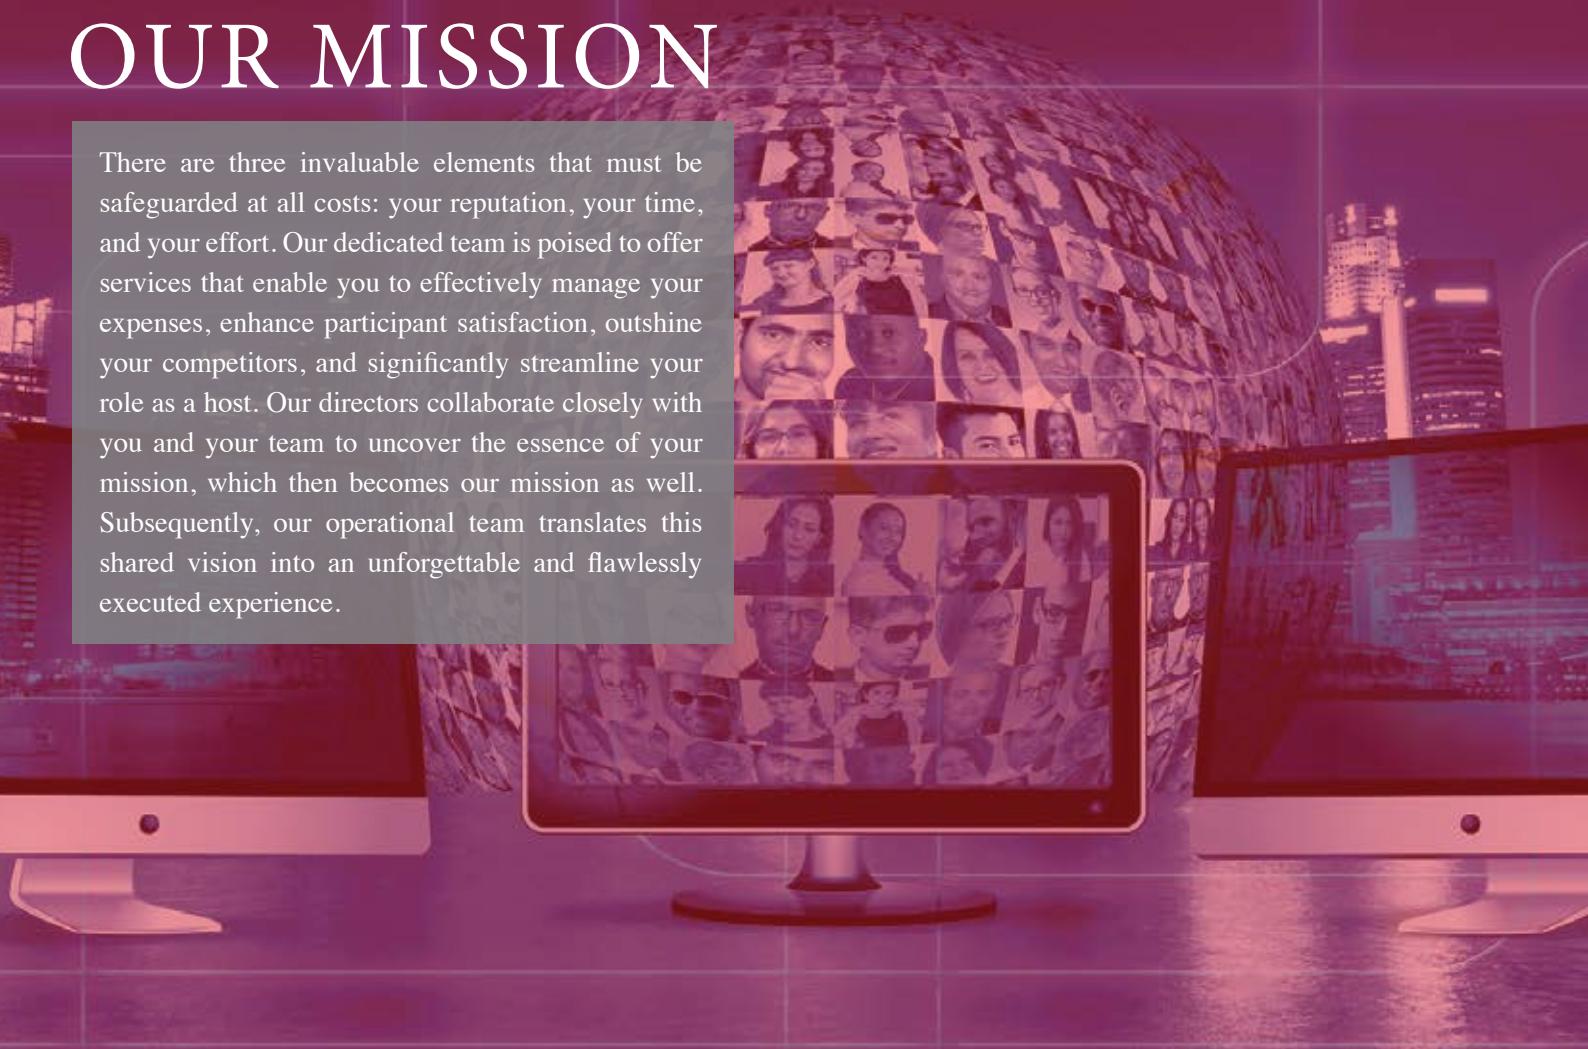

OUR VISION

Our commitment to excellence and dedication to advancing international trade and business positions us as a pioneering leader in the meeting, conferences, exhibitions, and seminars industry. Our foremost priority is to accomplish the precise objectives of your event, which serves as the cornerstone of our meticulous planning process. We collaborate closely with you to gain a comprehensive understanding of your specific requirements and subsequently fulfill them in innovative and imaginative ways. We firmly acknowledge that excellence is of utmost importance, and it remains at the forefront of all the services we offer.

OUR MISSION

There are three invaluable elements that must be safeguarded at all costs: your reputation, your time, and your effort. Our dedicated team is poised to offer services that enable you to effectively manage your expenses, enhance participant satisfaction, outshine your competitors, and significantly streamline your role as a host. Our directors collaborate closely with you and your team to uncover the essence of your mission, which then becomes our mission as well. Subsequently, our operational team translates this shared vision into an unforgettable and flawlessly executed experience.

EVENTS CONSULTANT SERVICES CONFERENCES

While numerous event companies in the region handle conferences through conventional or extravagant approaches, only a select few consider the creative and dramatic aspects. Our specialization lies in conference organization and production services, setting us apart from the rest. We are dedicated to offering event ideas that ignite inspiration and innovative concepts that come to life, consistently delivering remarkable and measurable outcomes for our clients.

CONFERENCES MANAGEMENT

- Conducting a comprehensive consultation and conceptual planning session for the event, aligned with an actionable plan.
- Managing all aspects of the event, including coordinating conference venue selection, program content development, communication channels setup, technical support arrangements, comprehensive services provision, and social program coordination.
- Developing detailed timetables and work flow grids to ensure smooth operations.
- Managing accounting and financial planning, including preparing detailed cost and budget plans, and assisting in implementing a sponsorship program through our extensive contact database.
- Providing state-of-the-art electronic and multimedia communication systems.
- Offering overall on-site direction and supervision of the event.
- Delivering regular oral and written progress reports.
- Providing consultation to relevant committees on critical matters.
- Producing promotional materials and personalized giveaways such as badges, conference bags, and pens.
- Handling the registration process efficiently.

EXHIBITIONS

To ensure the success of your exhibitions, it is crucial to have the support of a skilled organizing team. Events Consultant Team is ready to apply their expertise and contribute effective measures to make your exhibition a resounding success.

Venue Selection:

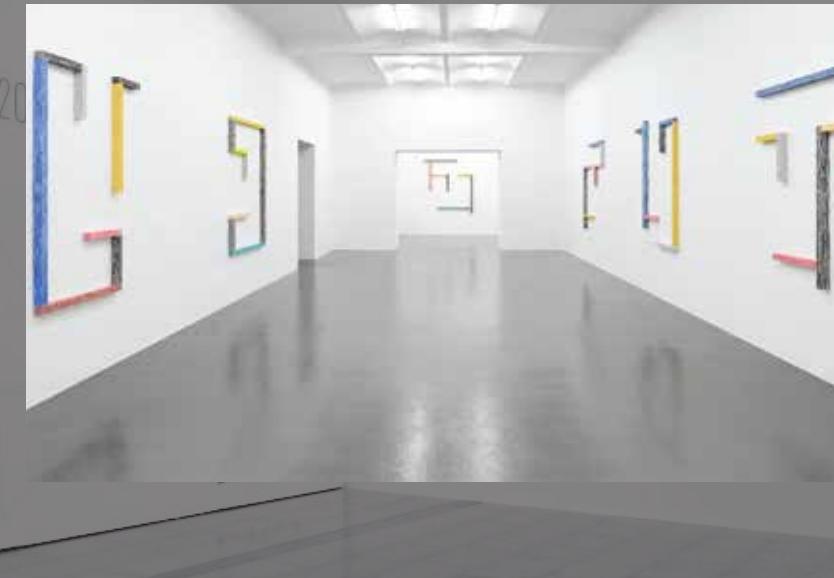

Selecting the appropriate venue is a key factor in creating a flawless and visually appealing exhibition. Events Consultant Team can assist you in identifying reputable contractors who can guarantee a seamless and cost-effective execution of every aspect of the exhibition, from setup to breakdown.

DECORATION

For an extensive period, Events Consultant, our company, has consistently positioned itself as a leading provider of personalized and comprehensive exhibition decoration services. Among the crucial stages of this process, stand design holds paramount importance. Our team of skilled designers offers tangible drafts that create an impactful exhibition stand, taking into account the unique identity of your company.

We dedicate ourselves entirely to your project, starting from initial sketches and progressing to detailed CAD drawings and photorealistic 3D visualizations of the stand design. Throughout this journey, we employ our vast creative potential to deliver exceptional results.

DESIGNING

The impression your company creates through its marketing materials is crucial, as it often determines the lasting perception people have of your brand. Are you confident that your current graphic design effectively portrays the desired image? Could it make a stronger impact that captures attention and remains memorable? With just a few seconds to capture the interest of potential customers, we have consistently proven our ability to help clients achieve precisely that.

Graphic Design and Printed Materials:

Are you prepared to witness rapid growth in your business? We offer a comprehensive range of graphic design services, including brochures, posters, billboards, and logos. Additionally, we specialize in the creation and distribution of posters, signs, seating lists, place cards, menus, and customized gifts. In essence, we are equipped to handle virtually any graphic design requirements you may have. Simply inform us of your specific needs, and we will deliver exceptional results.

MANAGEMENT STRATEGIES

Events Consultant is a prominent management consulting firm that specializes in delivering outcome-oriented strategy and planning solutions to our esteemed clients.

At Events Consultant, our strategic planning services are designed to enhance our clients' overall business performance. We achieve this by providing them with enhanced opportunities to measure and improve their effectiveness, while implementing a robust approach to strategy development, planning, and implementation. Through our expertise, we enable our clients to create powerful and contemporary organizational strategies that drive success.

PLANNING AND CASE STUDIES

Success is not a matter of chance; it is the result of meticulous planning.

When it comes to honing the art of planning, you can rely on us to consistently deliver excellent results. Our team of experts excels in strategic planning and budgeting, ensuring that deadlines are met without any budget overruns.

Marketing Solutions:

Events Consultant has been at the forefront of providing direct marketing solutions to clients who are leaders in their respective industries.

Our team of analytics professionals caters to the need for high-quality and cost-effective customer management for consumer brands.

We firmly believe that businesses catering to a large customer base require a fundamentally different approach. Instead of pursuing broad campaigns, we focus on creating targeted touchpoints to maximize the effectiveness of each interaction.

MARKETING SOLUTIONS

Events Consultant has established itself as a trailblazer in providing exceptional direct marketing solutions to clients who are recognized leaders in their respective industries.

Our team of experienced analytics professionals is dedicated to meeting the demand for high-quality and cost-effective customer management in the realm of consumer brands.

We firmly believe that businesses catering to a substantial customer base require a distinct approach. Rather than pursuing broad campaigns, we emphasize the creation of targeted touchpoints that enable precise and effective communication, maximizing the impact of each interaction.

PROMOTION AND MEDIA CAMPAIGN

We provide our clients with robust promotional support for their advertising campaigns. Our extensive range of services also encompasses prominent media campaign coverage.

At the core of our promotion services lies a stable foundation built on extensive experience and unwavering loyalty. This philosophy empowers us to consistently deliver superior results for our valued clientele.

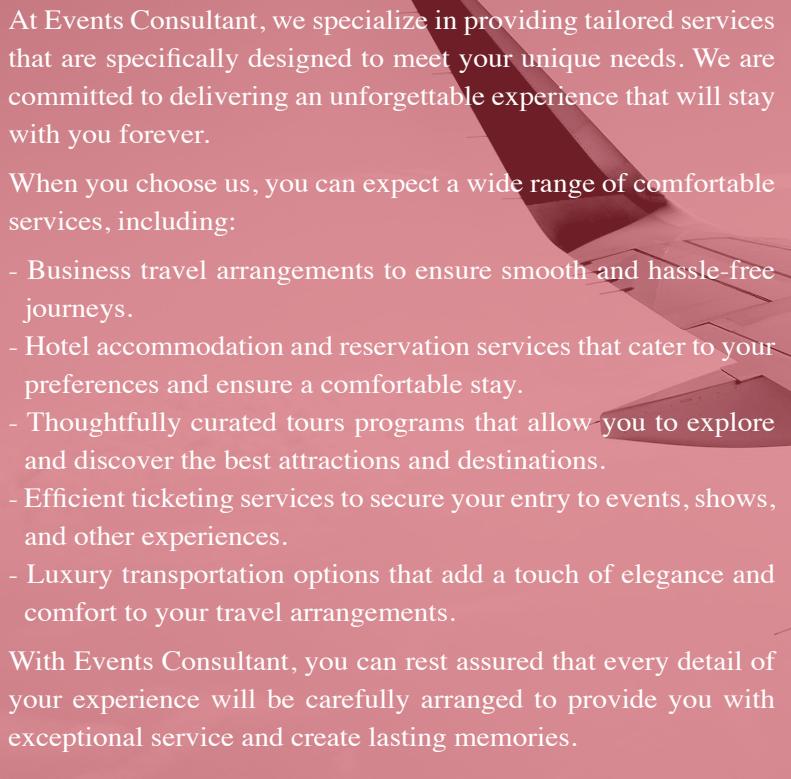

PUBLIC RELATION SERVICES

Our comprehensive range of services includes:

- Expanding and strengthening media relations to enhance brand visibility and reputation.
- Managing and maintaining the reputation of your enterprise through strategic communication efforts.
- Developing effective communication plans to ensure clear and consistent messaging.
- Conceptualizing and executing corporate social responsibility initiatives to make a positive impact on society.
- Crafting compelling press releases and managing their distribution to maximize media coverage.
- Leveraging the power of social media platforms to engage with your target audience and amplify your brand presence.
- Conducting thorough media monitoring to stay informed about your brand's visibility and reputation in the media landscape.

We are committed to providing exceptional support in these areas to help our clients achieve their communication and marketing objectives.

TRAVEL AND TOURISM

At Events Consultant, we specialize in providing tailored services that are specifically designed to meet your unique needs. We are committed to delivering an unforgettable experience that will stay with you forever.

When you choose us, you can expect a wide range of comfortable services, including:

- Business travel arrangements to ensure smooth and hassle-free journeys.
- Hotel accommodation and reservation services that cater to your preferences and ensure a comfortable stay.
- Thoughtfully curated tours programs that allow you to explore and discover the best attractions and destinations.
- Efficient ticketing services to secure your entry to events, shows, and other experiences.
- Luxury transportation options that add a touch of elegance and comfort to your travel arrangements.

With Events Consultant, you can rest assured that every detail of your experience will be carefully arranged to provide you with exceptional service and create lasting memories.

LOGISTICS

As the pioneering provider of Logistical Services and Operations Management in Jordan, we pride ourselves on offering unparalleled expertise in the field. Our dedicated team, with a strong focus on project-oriented approaches, has gained extensive operational experience handling logistics of varying scales, from small-scale endeavors to large-scale operations.

Our services are tailored to meet the unique needs and requirements of each event. Whether you are an individual traveler, part of an incentive group, or attending a conference, we offer a comprehensive range of services to ensure a seamless experience. From transportation arrangements to accommodation, we meticulously plan and execute every aspect of logistics to meet the specific demands of your event.

With our commitment to excellence and attention to detail, you can trust us to provide exceptional logistical support and operations management, making your event a resounding success.

SIMULTANEOUS SERVICES TRANSLATION

We offer comprehensive services in simultaneous translation, ensuring effective communication across language barriers. Our range of services includes:

Simultaneous Translation Systems: We provide state-of-the-art equipment and technology for seamless simultaneous translation during conferences and events.

Sound Insulating Booths: Our soundproof booths create an optimal environment for interpreters to deliver accurate and uninterrupted translations.

Simultaneous/Consecutive Interpreters: Our team of experienced interpreters is proficient in both simultaneous and consecutive interpretation, ensuring smooth communication between participants.

Certified Editors/Translators: Our certified editors and translators guarantee the highest level of accuracy and quality in all translated materials.

Translation in Up to 16 Languages: We have the capability to translate content into up to 16 languages, accommodating diverse multilingual events and conferences.

Accommodation for Up to 3000 Participants: Our services can cater to events of various sizes, accommodating up to 3000 participants with efficient translation solutions.

Headsets and Receivers: We provide high-quality headsets and receivers for participants to receive real-time translations.

Infrared Systems: Our advanced infrared systems ensure secure and reliable transmission of translated content to participants.

With our simultaneous services translation, you can trust us to deliver flawless language support, facilitating effective communication and fostering a truly inclusive event experience.
